\*: Should the development project be a planned unit development (PUD), the county Department of Permits, Approval, and Inspections (PAI)'s approval date is entered in this column of the Committed Seats sheet.

\*\* : Committed Seats are the number of seats that have been allocated to a school district to relieve an adjacent overcrowded school district (Adopted School Impact Analysis Regulations: 02 Definitions-C-5). The utilization of the adjacent spare capacity will be carried forward for four years or until the subject residential development is completely built (School Impact Analysis Regulations, 05-B).

\*\*\*: Committed seats are calculated per the Option C Estimated Enrollments in the Northeast Area Elementary Community Boundary Study Approved Boundary Data Table by the Baltimore County Board of Education on March 6, 2018.

A development or PUD plan without an overcrowded school is not in this chart.
