Re: Residential lot at Bradshaw Road, Kingsville, MD 21087

Dear Mr. Jablon,

The Greater Kingsville Civic Association and many adjacent residents are anxious to see a resolution of the unsightly usage of the above referenced residential lot. In a neighborhood where homes and yards are typically neat and well-maintained, this lot resembles a junk yard with piles of trash, stacks of lumber, and several rusty pieces of equipment. To put it bluntly, this lot is an eyesore to the entire community.

We are requesting that your office conduct a review of this property and issue a citation which would require the property owner to bring the property up to code requirements of a residential lot.

Regards,

Ila Christenbury
